# BEACON

**STYLE:** Slab/Flat-Panel

**OVERLAY:** Full

**EDGE PROFILE:** Square Edge

**MATERIAL:** Thermally-Fused Laminate (TFL)

**DRAWER:** Slab

Our Beacon door showcases a sleek, full-overlay slab design for a modern, minimalist aesthetic. Constructed with a sturdy particleboard core and smooth, thermally-fused laminate exterior, it combines style with lasting performance. Premium zero-line edgebanding ensures a polished, seamless finish. A sophisticated choice for contemporary spaces, available in a variety of standard and project finishes to complement any design.
