HANCOCK

STYLE: Micro-Shaker

OVERLAY: Full

EDGE PROFILE: Square Edge

MATERIAL: Painted MDF

DRAWER: Slab

Our Hancock door offers a contemporary take on the popular Shaker style with a sleek, micro shaker profile. Its narrow frame and flat center panel creates a streamlined look that complements both transitional and modern interiors. Crafted from premium MDF and finished in durable Sherwin Williams paint, it delivers lasting beauty and refinement. Available in two classic finishes.

PROJECT COLORS

Hancock is available for large projects only—contact your Rosario representative for more information.
