

BEACON

STYLE: Slab/Flat-Panel

OVERLAY: Full

EDGE PROFILE: Square Edge

MATERIAL: Thermally-Fused Laminate (TFL)

DRAWER: Slab

shown in White Birch

Our Beacon door showcases a sleek, full-overlay slab design for a modern, minimalist aesthetic. Constructed with a sturdy particleboard core and smooth, thermally-fused laminate exterior, it combines style with lasting performance. Premium zero-line edgebanding ensures a polished, seamless finish. A sophisticated choice for contemporary spaces, available in a variety of standard and project finishes to complement any design.
